THE CADILLAC ACCESSORIES ADVANTAGE

ACCESSORIES

QUALITY

- Designed for best fit and function
- Tested to Cadillac standards for performance, durability and safety

CONVENIENCE

- Readily available and installed at time of new vehicle delivery
- Can be serviced at Cadillac Dealerships nationwide

PEACE OF MIND

- Backed by Cadillac
- Backed by the New Vehicle Limited Warranty when installed by dealer at the time of delivery*

* Most Cadillac parts and accessories sold and installed on a Cadillac vehicle by a Cadillac Dealer or a Cadillac-approved Accessory Distributor/Installer (ADI) before delivery to the customer are covered under the applicable portion (Bumper-to-Bumper, Powertrain, etc.) of the New Vehicle Limited Warranty. If Cadillac Accessories are installed after vehicle delivery, or are replaced under the New Vehicle Limited Warranty, they will be covered, parts and labor, for the longer of the following: a) 12 months/12,000 miles (whichever comes first), or b) the balance of the applicable portion of the New Vehicle Limited Warranty. See your dealer for details.

Some vehicles are shown with equipment from an independent partner. GM Licensed and Integrated Business Partner Accessories are covered under the accessory-specific manufacturer's warranty and are not warranted by GM or its dealers. GM is not responsible for the safety or quality of independent supplier alterations.

Cadillac Accessories sold over the counter, or those not requiring installation, will continue to receive the standard Cadillac Dealer Parts Warranty of 12 months from the date of purchase, parts only, regardless of miles.

For more details on exhaust system compliance with local and state noise ordinances, trailer weight rating calculations, cargo limitations, load trailer weight capacities, and possible installation charges incurred with certain accessories, contact your local Cadillac Dealer.

* Most Cadillac parts and accessories sold and installed on a Cadillac vehicle by a Cadillac Dealer or a Cadillac-approved Accessory Distributor/Installer (ADI) before delivery to the customer are covered under the applicable portion (Bumper-to-Bumper, Powertrain, etc.) of the New Vehicle Limited Warranty. If Cadillac Accessories are installed after vehicle delivery, or are replaced under the New Vehicle Limited Warranty, they will be covered, parts and labor, for the longer of the following: a) 12 months/12,000 miles (whichever comes first), or b) the balance of the applicable portion of the New Vehicle Limited Warranty.
