# A FRESH APPROACH

## TO THE FALL 2014 GMC ACCESSORIES REFERENCE CATALOG (ARC)

FALL 2014 MARKS THE BEGINNING OF A NEW FORMAT FOR THE ARC.

Traditionally, the ARC was published in its full-list format twice annually. Moving forward, the Fall publication is now printed as a supplement to the Spring ARC.

### USING THE NEW FORMAT IS SIMPLE:

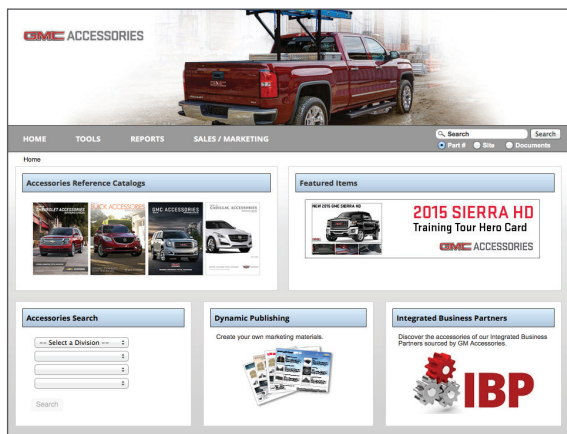

- Continue to reference the Spring ARC edition as the 2014 master list
- Use this quick-reference supplement to bring yourself up to speed on new accessories launched since April 2014
- New vehicles launched after publication of the Spring ARC are supported by the traditional, catalog-style format (i.e., an image for every accessory). All other vehicles and accessories included are supported by a supplemental style format (i.e., only select representative images)
- For your convenience, vehicles featuring new accessories since publication of the Spring ARC are listed on the cover

Product specifications, descriptions, and information were correct at the time this catalog was published. GMC reserves the right to improve, discontinue, or change any part of the copy, photography, information, or parts without notice. This is a GMC-to-dealer communication and not intended for advertising purposes.

Most GMC parts and accessories sold and installed on a GMC vehicle by a GMC Dealer or a GMC-approved Accessory Distributor/Installer (ADI) before delivery to the customer are covered under the applicable portion (Bumper-to-Bumper, Powertrain, etc.) of the New Limited Warranty. If GMC Accessories are installed after vehicle delivery, or are replaced under the New Vehicle Limited Warranty, they will be covered, parts and labor, for the longer of the following: a) 12 months/12,000 miles (whichever comes first), or b) the balance of the applicable portion of the New Vehicle Limited Warranty. See your dealer for details.

Some vehicles are shown with equipment from an independent partner. GM Licensed and Integrated Business Partner Accessories are covered under the accessory-specific manufacturer's warranty and are not warranted by GM or its dealers. GM is not responsible for the safety or quality of independent partner alterations.

GMC Accessories sold over the counter, or those not requiring installation, will continue to receive the standard GMC Dealer Parts Warranty of 12 months from the date of purchase, parts only, regardless of miles.
