BUICK ACCESSORIES

FOR ACTIVE LIFESTYLES

Live life to its fullest. Buick believes in the value of an active life – whether around town, on the slope or at the beach. So does Thule®¹, which is why Buick partnered with Thule® to help customers heighten the appearance, flexibility and capability of their Buick vehicles with Thule® lifestyle-enriching products.

Thule® is the brand people turn to when they want to transport their gear safely and in style while optimizing their Buick's cargo-carrying ability. No more having to choose between the items they want to bring and the things they need to bring. Thule® products are available for a variety of Buick vehicles and models, freeing up interior space for passengers and personal items. Add in a limited lifetime warranty and trusted global recognition and you have a winning combination.

When it comes to the accessories for active lifestyles, from Cargo Carriers and Bicycle Racks to Water and Winter Sports Carriers, Thule® has it all:

THE TRAVEL COMPANIONS THAT ACTIVE LIFESTYLE GEAR DEMANDS

Thule®² Roof-Mounted Cargo Boxes, Baskets and Nets, and Hitch-Mounted Cargo Boxes help expand Buick owners' gear-carrying options. For the frequent traveler, it means more space inside their Buick vehicle for passengers and personal items, with luggage safely stowed out of the way. For the active family, that translates to more room for luggage, sporting goods, camping gear and more. And for the growing family, that means flexible storage space for bulky items like strollers and play yards.

One of the major benefits of Thule® products is the ability to use multiple combinations of products at once. A Roof-Mounted Cargo Box can hold bulky ski boots, ski clothing and other luggage while a Hitch-Mounted Winter Sports Rack can safely transport a family's skis and snowboards. In warmer weather, swap out the Hitch-Mounted Winter Sports Rack for a Hitch-Mounted Bike Carrier and load up the Roof-Mounted Cargo Box with camping gear.
